Household waste

East side: every Monday except on public holidays
West side: every Tuesday except on public holidays

\$\$\$

Landfilling waste **generates significant costs** for the municipality, which results in **higher taxes for you.**

- It is strictly prohibited to place construction materials or bulky items in household waste. You must dispose of these items at the Ecocentre.
- Branches are accepted only if they are tied into small bundles.

Door-to-door collections

- The bins must be placed at the roadside the evening before collection, after 7 PM.

Public bins

- Please keep public bins and sites clean.
- The use of bags or sealed containers is mandatory.

Large objects collection

- The collection is limited to small quantities for private residences.
- Construction materials are excluded.
- Items must be placed at the end of the driveway, away from the house.
- You must register, by the Thursday before collection, with Catherine Rowlands at 819-687-2122 ext. 3228.

Recyclable materials

Every Wednesday except on public holidays

👍

Recycling helps **reduce costs** for the municipality as well as your taxes.

Containers

Flexible or rigid, containers can be made of paper, cardboard, glass, plastic or metal.

How to spot them: recyclable containers usually have a cap or lid.

Examples :

- Shampoo bottle
- Oil bottle
- Laundry soap container
- Sour cream container
- Etc.

Packaging

Like containers, packaging items are made of paper, cardboard, plastic, glass or metal.

How to spot them: they're used to easily transport a product.

Examples :

- Egg carton
- Fruit basket
- Canned food
- Paper bag
- Etc.

Printed Paper

These are papers and other fibres with texts, patterns or images can sometimes be found.

Examples :

- Newspapers
- Magazines
- Lined or squared paper sheets
- Envelopes
- Etc.

Organic materials

More information to come.

New composting service starting June 2025 - In an effort to promote sustainable practices and reduce our environmental impact, the municipality is proud to announce the upcoming opening of 13 new voluntary drop-off sites for organic materials.

1 Is it edible or part of something that is edible?

Raw, cooked, or spoiled: All meal preparation scraps and table leftovers in paper bags or loose only.

2 Is it paper or cardboard?

Paper or cardboard soiled by food or used to package food.

3 Is it garden waste?

Cut grass, dead leaves, garden bed residues, cones and needles from conifers, straw, hay, potting soil and compost, untreated wood chips, etc.

4 Other

Cold ashes, hair and feathers, natural corks, litter, wooden toothpicks, etc.

👍

Composting helps **reduce costs** for the municipality as well as your taxes.

PLEASE NOTE THAT NO PLASTIC BAGS WILL BE ACCEPTED IN THE COMPOST BINS.
